

## Milking Machine Milking Claw 300ml Capacity with Stainless Steel Base

### Our Product Introduction

#### Basic Information

- Place of Origin: China (Mainland)
- Brand Name: HL
- Certification: SGS, FDA Certificate, CE
- Model Number: HL-M03A
- Minimum Order Quantity: One piece
- Price: Negotiation
- Packaging Details: Carton
- Delivery Time: 7 - 15 days
- Payment Terms: T/T, Western Union, Paypal
- Supply Ability: 1000pieces/Month

#### Product Specification

- Highlight: goat milking claw, milking machine claw

## Product Description

### Milking Machine Milking Claw 300ml Capacity with Stainless Steel Base

#### Quick Detail:

- HL-M03A 300ml capacity milk claw
- mobile milking machine milk claw
- with one year warranty

#### Description:

300ml milking machine milk claw, which is made of PSU (polysulfone) material, is used to connect the rubber milking tube and rubber pulse tube, and then collecting the milk. It is just used for cow milking machine and milking parlor. The milk claw, as one of the most important spare parts for the milking system, we supply different kinds of milk claws to meet different clients request, like 150CC / 160CC, 240CC, 400CC, 350CC and others. We also produce special milk claws for goats and sheep.

The mobile milking machine is constituted by milking unit and vacuum pump system. Milking unit contains milk bucket, milking tube, pulse tube, milk claw, milk pulsator, milk liner, milk shell and etc. The vacuum pump system consists of vacuum pump, oil pot, silencer, vacuum meter, vacuum regulator, safety device and etc.
